

MD AZHANUDDIN

UI/UX PRODUCT DESIGNER

Bengaluru, India | +91 9540 899 323 | mdazhanuddin@gmail.com | linkedin.com/in/MdAzhanuddin_31 | Portfolio: md-azhanuddin

PROFESSIONAL SUMMARY

UI/UX Product Designer with 3+ years of experience designing enterprise SaaS platforms, workflow systems, simulation ecosystems, and operational dashboards across logistics, gaming, loyalty, and AI-assisted products. Skilled in end-to-end product design — user research, information architecture, interaction design, prototyping, and design systems — with a track record of simplifying complex, multi-persona workflows and partnering with product, engineering, and stakeholders to ship scalable, user-centered experiences.

CORE COMPETENCIES

Product Design • Enterprise UX • User Research • Usability Testing • Workflow Architecture • Information Architecture • Interaction Design • Design Systems • Wireframing • Prototyping • User Flows • Dashboard & Data-Visualization UX • Responsive & Mobile-First Design • Accessibility (WCAG) • Design Thinking • Agile / Scrum • Cross-functional Collaboration • Developer Handoff

TOOLS & TECHNOLOGIES

Design & Prototyping: Figma, FigJam, Adobe XD, Protopie, Framer • **Visual & Motion:** Adobe Photoshop, Illustrator, After Effects • **Handoff & Collaboration:** Zeplin, Maze, Miro, Notion, Jira

PROFESSIONAL EXPERIENCE

SimPencil — UI/UX Product Specialist

May 2025 – Present

Bengaluru, India

- Lead end-to-end product design for a multi-persona SaaS suite spanning Consumer, Instructor, Enterprise, Content Owner, and SuperAdmin platforms, driving workflow clarity, operational usability, and cross-platform consistency.
- Designed scalable creator workflows and no-code simulation-building experiences for **Mix3D Studio**, enabling non-technical users to author interactive 3D simulations.
- Architected new scene-type systems and operational workflow patterns for scalable content creation across the Mix3D ecosystem.
- Designed interaction flows and creator-focused engagement experiences for **Streamer**.
- Partnered with cross-functional teams on AI-assisted workflow experiences and platform interactions for **GamePay.ai**.
- Established reusable design patterns and partnered with engineering to ensure consistent, implementation-ready delivery.

The Metromax Group — UI/UX Designer

Jan 2023 – Jul 2024

Bengaluru, India

- Designed user experiences across logistics, gaming, loyalty, and operational platforms for client and in-house products.
- Built workflow dashboards and operational interfaces for **FleetDrive 360** and **Metro LMD Ops Assist**, translating complex logistics operations into clear, task-focused screens.
- Streamlined navigation and improved usability across logistics and operational management systems.
- Designed mobile-first, engagement-driven loyalty experiences for the **KLM Loyalty App**.
- Delivered workflow experiences for **Drew's 3PL Worldwide**.
- Contributed gaming UI systems and interaction experiences for Scopely's **Bingo Bash** and **GSN Casino**.
- Collaborated with developers to deliver scalable, implementation-friendly designs and smooth design handoff.

The Metromax Group — UI/UX Design Intern

Sept 2022 – Dec 2022

Bengaluru, India

- Produced wireframes, prototypes, and responsive UI designs for client and internal products.
- Supported design handoff and collaborated with senior designers on product workflows.

EarlyVentions — Graphic Design Intern

Feb 2021 – Apr 2021

Bengaluru, India

- Designed social media creatives, banners, and digital marketing assets supporting brand communication.

EDUCATION

BSc. Animation & Filmmaking

2021

Picasso Animation College, Bengaluru
